(#80). 19 On February 22, 2012, NASA informed the Court that the agency anticipated that Plaintiff 20 would be paid his costs award in March 2012. (#76, #77). On March 1, 2012, NASA requested that 21 Plaintiff provide his social security number so that NASA could pay him electronically. (Graham 22 23 Dec. ¶¶ 4-5; Ex A). NASA made this request because 31 C.F.R. Part 208 requires the agency to pay monetary awards electronically. (Graham Dec. ¶ 4). Plaintiff, however, declined to provide his 24 social security number to NASA. (Graham Dec. ¶ 5; Ex A). Plaintiff's refusal to provide his social 2.5 security number required NASA to obtain a waiver of the requirement that he be paid electronically. 26 (Graham Dec. ¶ 6). The need to obtain that waiver delayed the payment of Plaintiff's costs award. 27

18
         I, COURTNEY B. GRAHAM, hereby declare under penalty of perjury as follows:
19
              I am the Associate General Counsel for Commercial and Intellectual Property Law in the
20
    Office of General Counsel of the National Aeronautics and Space Administration ("NASA"). I
21
    respectfully submit this declaration in support of the status report requested by this Court on May
22
    17, 2012. This declaration is based on my personal knowledge of the facts set forth herein.
23
         2.
              In early January 2012, I learned that NASA was responsible for paying $525.06 in costs
24
    to Plaintiff Jed Margolin in Margolin v. NASA, Case No. 3:09-CV-00421-LRH-VPC.
25
              Upon learning of the costs award, I immediately began investigating the process for
26
    paying the award. I discovered that the normal process for paying awards through the Judgment
27
    Fund found at 31 C.F.R. Part 256 does not apply to awards made under the OPEN Government Act
28
```

1 of 2007. The OPEN Government Act requires federal agencies to pay awards under the Act from

2	the agencies' own appropriations.		
3	4. 31 CFR Part 208 requires that awards by an agency be paid electronically. In		
4	accordance with that requirement, I attempted to obtain Mr. Margolin's address and electronic funds		
5	transfer ("EFT") information. I also sought to obtain his Taxpayer Identification Number ("TIN"		
6	or Social Security Number ("SSN") to support the issuance of IRS Form 1099-MISC for the amoun		
7	of the award, as required by IRS rules.		
8	5. Mr. Margolin declined, however, to provide his social security number. Attached as		
9	Exhibit A is a true and correct copy of Mr. Margolin's e-mail in which he refuses to provide his		
10	social security number to NASA.		
11	6. Mr. Margolin's unwillingness to provide his social security number has delayed the		
12	payment of his costs award. Without a social security number, the NASA Shared Services Center		
13	("NSSC"), the entity responsible for processing NASA payments, had to determine whether the		
14	requirement that funds be transferred electronically could be waived under NASA Procedural		
15	Requirement 9631.1, Disbursements. Payment by paper check could not occur without this		
16	waiver.		
17	7. NSSC recently issued the waiver and approved the issuance of a paper check to pay Mr		
18	Margolin's costs award. The NSSC is currently processing the payment and anticipates that Mr.		
19	Margolin's check will be issued to him within ten (10) working days.		
20	I hereby declare under the penalty of perjury that the foregoing is true and correct to the best of		
21	my information and belief.

Subject: Case: 3:09-cv-00421-LRH-VPC

Dear Ms. Vance.

I received a message today from someone identifying herself as "with the U.S. Attorney's Office in Reno, NV."

In this message:

- 1. referred to the money that NASA owes me (as a result of the judgment ordered by the Court) as "benefits."
- 2. She said that your agency's "Budget Office" requires my social security number in order for me to be paid.

Caller ID identified the call as "GSA 775-784-5047."

In seems in the same in the sa

I have attached an MP3 of the above message.

None of this makes sense because:

- 1. The Freedom of Information Act requires that this judgment be paid by Agency (NASA) appropriations, not by DOJ.
- 2. Will did not know the exact amount, or that interest is due from November 4 to whenever I eventually get paid (if I ever do get paid).
- 3. Neither of the two telephone numbers is on your Web site.
- 4. There is no statutory authority for you to demand my social security number. And if you really wanted my social security number you could get it from the FBI.

Case 3:09-cv-00421-LRH-VPC Document 81 Filed 05/29/12 Page 8 of 8

5. The Court ordered NASA to pay me. The Court did not order me to provide anyone with my social security number.

By an interesting coincidence I also received a message today from the Storey County telephone alert system. The message was from Storey County Sheriff Gerald Antinoro advising that Storey County residents have been receiving telephone calls from people saying, in effect, that one of their relatives has been imprisoned in a foreign country and needs money right away. Sheriff Antinoro advises Storey County residents to investigate carefully before sending money or giving out their credit card numbers.

I have attached an MP3 of Sheriff Antinoro's message.

That is why I believe that someone has read my article/blog at the information in an attempt to fraudulently obtain my social security number. I believe it is called fraud-bywire and, in particular, "pretexting."

(Note that, today, a Google search using the terms: **nasa foia lawsuit** produces approximately 200,000 hits and that my article/blog ranks #2 and #3. People are obviously interested in my article/blog. See attached file.)

Since fraud-by-wire is a felony under 18 U.S.C. § 1343 I would like you to find out who this "person is and prosecute her to the fullest extent of the law.

And tell NASA to pay me.

Sincerely yours,

Jed Margolin

	Plaintiff,)) REPLY TO NASA'S STATUS REPORT (#81)
	vs. NATIONAL AERONAUTICS AND SPACE ADMINISTRATION, Defendant.)))))))
13 14		_ ′
15	Comes now Plaintiff, Jed Margoli	n ("Margolin"), appearing pro se, and files his Reply to
16	NASA's Status Report (#81). NASA asse	erts that their failure to pay Margolin is due to
17	Margolin's alleged failure to provide NAS	SA with his Social Security Number. NASA's
18	Courtney Graham (Associate General Co	unsel for Commercial and Intellectual Property Law in
19	the Office of General Counsel of NASA)	also asserts that she did not know until early January
20	that the judgment had to be paid from NA	ASA agency funds instead of from the Judgment Fund.
21		

1 Argument 2 A. NASA asserts that their failure to pay Margolin is due to Margolin's alleged failure to 3 provide <u>NASA</u> with his Social Security Number. They assert that: On March 1, 2012, NASA requested that Plaintiff provide his social security number so that 4 5 NASA could pay him electronically. (Graham Dec, ¶¶ 4-5; Ex A) 6 7 Margolin received a telephone message on March 1, 2012 from someone identifying herself as 8 "Judy with the U.S. Attorney's Office in Reno Nevada." The following is an attempt to 9 transcribe the material parts of the message. The full message is being submitted as Exhibit 1 as 10 an mp3 file so that the Court can hear the message for itself. The following is from "Judy's" 11 message. 12 In order for us to make payment, ah, to you our [stumbles a little] budget office needs to have 13 your, ah, social security number. It's a requirement. Everybody has to, whenever we make a 14 judgment payment out, it's part of the protocol. I'm sorry [indistinct] it may be, seem to be an 15 invasion of privacy but that's what they need. 16 17 {Emphasis added} 18 Then she asks Margolin to call her in the morning and she gives a telephone number. 19 20 1. The message from the person identifying herself as "Judy" clearly says that she is calling 21 from the U.S. Attorney's Office and that it is the U.S. Attorney' Office budget office who 22 proposes to pay Margolin. This was a red flag for Margolin because he knew that the law 23 requires that the judgment be paid by NASA, not by the Department of Justice. Therefore, it was 24 reasonable for Margolin to believe that the message was from someone pretending to be from the 25 U.S. Attorney's Office in an attempt to obtain Margolin's social security number. This practice is 26 called "pretexting". Pretexting is generally defined as obtaining sensitive or personal

1	information through impersonation or other deception, and is generally a crime. Anyone could
2	have used Pacer to obtain the information that "Judy" had about the case and about Holly Vance
3	being the person in the U.S. Attorney's Office handling the case. They could also have gotten the
4	information from Margolin's Web site, where he has been blogging the case.
5	In the early morning hours of March 2, 2012 Margolin sent an email to NASA's Counsel
6	(Assistant U.S. Attorney Holly A. Vance) and her boss (U.S. Attorney Daniel Bogden). He sent
7	it with the Windows Mail function "Request Read Receipt." He received a Read Receipt from
8	Mr. Bodgen but not from Ms. Vance. NASA has poorly reproduced Margolin's email so he is
9	reproducing it here as Exhibit 2 at 16.
10	Margolin received no response to his email, which further confirmed to him that the
11	message from "Judy" was an attempt at pretexting.
12	Pretexting is a serious problem. This Court has even posted a warning on its own Web
13	site titled Identity Thieves Targeting Jury.
14	A new identity theft scam is being perpetrated on unsuspecting victims.
15 16 17 18 19	In this scam, the scammer calls the residence or office number of the victim and identifies themselves as an officer or employee of the local court of jurisdiction. The scammer announces to the victim, that he/she has failed to report for jury duty, and that a bench warrant was issued against them for their arrest.
20 21 22 23	· · ·
24 25 26 27 28 29	Any reluctance on the victim's part and the scammer will threaten that the failure to provide the information will result in an immediate execution of the arrest warrant. The scammer obtains names, social security numbers, dates of birth, and will solicit credit card or bank account numbers claiming these will be used by their credit bureau to "verify" the victim's identity.
30	•
31	•

1 Any person receiving such calls should record the scammer's phone number (if Caller ID is 2 available) and immediately report the contact to law enforcement officials. 3 4 The above is a good example of pretexting. It is a serious problem but, as Margolin has 5 discovered, the U.S. Attorney ignores reports of attempted identity theft. The Court's warning 6 can be found at http://www.nvd.uscourts.gov/IdentityTheft.aspx and is reproduced here as 7 Exhibit 3 at 20. 8 NASA has characterized Margolin's March 2 email solely as a refusal to provide his 9 social security number and failed to address the other parts such as his concern that the telephone 10 message had been an attempt at pretexting. 11 12 2. Margolin's March 2 email to the U.S. Attorney contained two attachments in addition to the 13 mp3 of the telephone message from "Judy." By an interesting coincidence Margolin had also 14 received a message on March 1 from the Storey County telephone alert system. The message was 15 from Storey County Sheriff Gerald Antinoro advising that Storey County residents have been 16 receiving telephone calls from people saying, in effect, that one of their relatives has been 17 imprisoned in a foreign country and needs money right away. An mp3 of Sheriff Antinoro's 18 message is reproduced here as Exhibit 4. 19 3. The third attachment to Margolin's March 2 email is a reproduction of the results of a Google 20 search using the terms: **nasa foia lawsuit**. It is reproduced here as Exhibit 5 at 24. Margolin 21 noted that: 22 (Note that, today, a Google search using the terms: **nasa foia lawsuit** produces 23 approximately 200,000 hits and that my article/blog ranks #2 and #3. People are obviously interested in my article/blog. See attached file.) 24 25

1 What does this Google search mean? From http://www.googleguide.com/google_works.html, the 2 essence is that Google has three distinct parts: 3 Googlebot, a web crawler that finds and fetches web pages. 4 The indexer that sorts every word on every page and stores the resulting index of words 5 in a huge database. The query processor, which compares your search query to the index and recommends 6 7 the documents that it considers most relevant. 8 9 Google has huge server farms and sends its bots (robot programs) to every nook and cranny of 10 the Internet and indexes every word on every page. When Google did that they found the search 11 terms **nasa foia lawsuit** on approximately 200,000 web pages. Google further determined that on 12 March 1 Margolin's article/blog **on this very case** ranked #2 and #3 in relevance. 13 The reason Margolin brought this to NASA's attention was in hopes that, if they knew 14 that the whole world was watching, they would act decently for a change. They didn't, as is 15 evident in their Status Report (#81). 16 Google results are very fluid and can change rapidly. In the results of a Google search on 17 May 31, 2012 for the same search terms (nasa foia lawsuit) Margolin's article/blog had dropped 18 to #4 and #5 from #2 and #3. However, whereas on March 1 the search produced only 200,000 19 hits, on April 31 the same search produced approximately 1,750,000 hits. See Exhibit 6 at 27. 20 The search terms **nasa foia lawsuit** are very generic. That there are 1,750,000 Web pages 21 on the subject indicates a great deal of public interest in it. That Margolin's article/blog ranks #4 22 and #5 on Google's hit list shows that there is a great deal of public interest in this very case. 23 Indeed, the whole world is watching. And NASA doesn't care how mean, nasty, and dirty they

24

look.

- 1 4. Therefore, although NASA's Status Report (#81) characterizes the Margolin March 2 email
- 2 solely as Margolin's refusal to give NASA his social security number, Margolin did not refuse to
- 3 give <u>NASA</u> his Social Security Number, he refused to give it to someone claiming to be from the
- 4 <u>U.S. Attorney's Office</u>. The U.S. Attorney's Office is not NASA and, because the law says that
- 5 NASA is required to pay him, if Margolin had accepted payment from the U.S. Attorney's Office
- 6 it would make him a party to the U.S. Attorney's malfeasance.
- 8 **B.** Margolin wishes to revisit NASA's statement:
- 9 On March 1, 2012, NASA requested that Plaintiff provide his social security number so that NASA could pay him electronically. (Graham Dec, ¶¶ 4-5; Ex A).
- 12 The Graham Declaration actually says:
 - 4. 31 CFR Part 208 requires that awards by an agency be paid electronically. In accordance with that requirement, I attempted to obtain Mr. Margolin's address and electronic funds transfer ("EFT") information, I also sought to obtain his Taxpayer Identification Number ("TIN") or Social Security Number ("SSN") to support the issuance of IRS Form 1099-MISC for the amount of the award, as required by IRS rules.
- 5. Mr. Margolin declined, however, to provide his social security number. Attached as Exhibit A is a true and correct copy of Mr. Margolin's e-mail in which he refuses to provide his social security number to NASA.
- 24 Margolin responds:

7

11

13 14

15

16 17

18

19

23

- Ms. Graham says she "attempted to obtain Mr. Margolin's address and electronic funds transfer
- 26 ("EFT") information..."
- 27 1. 31 CFR Part 208 contains a large number of exemptions to the rule that payments by a
- Federal agency be made by electronic funds transfer. One of them (under § 208.4 **Waivers**) is:
- 29 (6) Where the agency does not expect to make payments to the same recipient within a one-
- year period on a regular, recurring basis and remittance data explaining the purpose of the
- payment is not readily available from the recipient's financial institution receiving the
- payment by electronic fundstransfer; and

- 1 This Freedom of Information Act lawsuit is now only a few months shy of three years old. Even
- 2 if Margolin were to file another FOIA lawsuit next week it is unlikely that it would be concluded
- 3 within a year's time or that it would be a regular occurrence.
- 4 2. There is no evidence that Ms. Graham did anything other than to ask Assistant U.S. Attorney
- 5 Vance to obtain Margolin's information, and Ms. Vance turned it over to a confused subordinate.
- 6 3. Ms. Graham already had Margolin's address. It's listed on every motion in this case.
- 7 **4.** There is no way that Margolin could ever give his bank account information to Ms. Graham
- 8 or to Assistant U.S. Attorney Vance. It would require a large amount of trust in their agencies
- 9 and in them personally. This is a trust they have shown they are not worthy of. And NASA, as
- an agency, is monumentally incompetent and/or corrupt in its accounting practices. In March
- 11 2010 Margolin wrote an article about NASA's accounting problems, reproduced here as Exhibit
- 7 at 30. (This exhibit serves a dual function and will be referred to again shortly.)
- 13 5. Margolin was never told that his Social Security Number was needed in order to comply with
- 14 IRS Rules. If this results in a problem with IRS this Court can expect another lawsuit by
- 15 Margolin. It will be against NASA and DOJ as well as against Graham and Vance personally.
- 16 (And Margolin will have representation this time.)
- 18 <u>C.</u> Ms. Graham makes the statement in her Declaration (#81, Graham Dec, ¶ 2; Ex A):
- 2. In early January 2012, I learned that NASA was responsible for paying \$525.06 in costs to Plaintiff Jed Margolin in *Margolin v, NASA*, Case No, 3:09-CV-00421-LRH-VPC.
- 22 This is an extraordinary admission.

23

21

17

1 The phrase "Ignorance of the Law is no excuse" is usually applied against non-attorneys. It 2 applies even more to attorneys. According to the Martindale online directory, Courtney Bailey 3 Graham is an attorney. See Exhibit 8 at 42. 4 In a Freedom of Information Act action, when the Plaintiff substantially prevails, the 5 Defendant is taxed costs. The question of who pays (the Agency or the Judgment Fund) is 6 material. (The "Openness Promotes Effectiveness in our National Government Act of 2007," 7 also referred to as the OPEN Government Act of 2007, requires agencies to pay attorney fees to a 8 prevailing party from agency appropriations rather than the Judgment Fund, 31 U.S.C. 1304.) 9 Yet, Ms. Graham admits she didn't know that until early January 2012. (Margolin 10 explained it to NASA in an email dated January 6, 2012. It is reasonable to believe that is how 11 Ms. Graham found out about it. See #78 at 6) 12 Ms. Graham has represented herself as having special expertise in matters pertaining to 13 the Freedom of Information Act. Ms. Graham is the responsible employee whom NASA put in 14 charge of responding to Margolin's FOIA action. See #42-1 (Graham Declaration) ¶¶ 28-40. Ms. 15 Graham has shown that her knowledge of Freedom of Information laws is deficient in a material 16 matter. 17 And this Court gave Ms. Graham's Declarations substantial deference, when she has now 18 shown that she deserved none at all. 19 Assistant U.S. Attorney Vance's conduct is even more inexcusable. Ms. Vance is an 20 attorney with the Department of Justice. As such she has access to all of DOJ's knowledge and experience in FOIA cases. DOJ even has a Web page where, in some of the cases, the Plaintiff 21 22 was awarded costs, such as in *Negley v. FBI*, No. 03-2126, 2011 WL 4793143 (D.D.C. Oct. 11,

1 2011) (Kessler, J.). and Queen Anne's Conservation Assoc. v. Dep't of State, No. 10-670, 2011 2 WL 3426038 (D.D.C. Aug. 3, 2011). DOJ's Web page is reproduced here as Exhibit 9 at 44. It 3 came from http://www.justice.gov/oip/courtdecisions/costs.html. 4 Ms. Vance had a duty to inform her client (NASA) that they (NASA) were required to 5 pay the judgment from agency funds because the judgment would not be paid by the Judgment 6 Fund. Ms. Vance failed in that duty. As a result she has wasted this Court's time, and Margolin's 7 time, and has caused Margolin to incur additional expense. 8 9 **D.** March came and went and April was nearing its end, and still Margolin had not been paid. 10 Margolin realized that even if the Court granted Margolin's motion to compel NASA to disclose 11 its assets in Nevada (#74) and NASA complied with the Court's Order it is unlikely that NASA 12 has assets in the State of Nevada. If NASA does have assets in the State of Nevada, then given 13 the deceit and obstructionist tactics they have practiced toward Margolin since May 2003, it is 14 unlikely that NASA would admit to having assets in the State of Nevada. And finally, even if 15 NASA does have assets in the State of Nevada and is willing to admit to having assets in the 16 State of Nevada, then given NASA's pervasive and continuing accounting problems it is unlikely 17 that NASA would be able to tell Margolin where its assets in the State of Nevada are. This where 18 Exhibit 7 at 30 comes in again. Exhibit 7 is Margolin's March 2010 article NASA's Continuing 19 **Lack of Accounting Controls.** 20 So, Margolin obtained a certified copy of the Judgment (#73) along with a Clerk's 21 Certification of the Judgment To Be Registered in another District and filed it in U.S. 22 District Court for the Middle District of Florida, where it has been assigned Case Number

- 1 6:12-mc-00047-JA-DAB. See Exhibit 10 at 52. Margolin also moved for a Writ of Execution.
- 2 See Exhibit 11 at 56. Margolin sent NASA's Counsel a copy of his Motion. Even though it
- 3 should be material to her Status Report she failed to mention it. Perhaps she forgot.
- 4 The reason that Margolin registered his Judgment in the Middle District of Florida is
- 5 because that is where the Kennedy Space Center is. The Space Shuttle Orbiter Atlantis is
- 6 believed to be currently located in Orbiter Processing Facility-1 (OPF-1) at the Kennedy Space
- 7 Center. While NASA might feel it can ignore with impunity an Order of the U.S. District Court
- 8 for the District of Nevada, it will not be able to ignore U.S. Marshals when they come to seize
- 9 the Orbiter Atlantis and sell it at public auction.
- Margolin believes that by registering the Judgment in U.S. District Court for the Middle
- District of Florida, it is properly the Middle District of Florida that now has jurisdiction over the
- 12 payment of the Judgment. Margolin welcomes the guidance of this Court in the matter.
- Margolin has incurred additional costs in registering the Judgment in the Florida Court in
