

Parcels listed by the Storey County Assessor database
as being owned by Sunny Hills Ranchos

Compiled by Jed Margolin September 2013

The reason for the file names is because Sunny Hills Ranchos owns 151 parcels in Storey County.

I wrote software to automatically download the html parcel files from the Assessor database and save them.

Then my software looks at each saved file and picks out the information I am interested in and creates a cumulative text file.

Then I do a copy and paste of the entire file into Microsoft Excel in order to (separately) add the Assessed Values and the Acres.
